International Students Only:

I understand that Caltech financial assistance is not available for international transfer candidates. I can demonstrate the ability to pay the full cost of attendance for each year I am enrolled at Caltech. The cost of attendance for the academic year September 2007 to June 2008 is \$46,560.

Academic Prerequisites

Below is a list of Caltech's core classes. Indicate those for which you have completed equivalent courses at your college or university, and list the corresponding course titles. Courses in progress should be indicated as "IP." Refer to the application instructions for descriptions of the Caltech courses and further information regarding "equivalent" coursework. Also, please include with your application the topics covered and the names of the textbooks used in all mathematics, science, and engineering courses taken. Photocopies of course catalog descriptions are appropriate for this purpose. If you need additional space, please explain in the additional information section.

- Ma 1 abc Freshman Mathematics Equivalent Course:
Ma 2 ab Sophomore Mathematics Equivalent Course:
Ph 1 abc Classical Mechanics and Electromagnetism Equivalent Course:

Program of Study

Although not binding, please indicate your proposed areas of study at Caltech. Please select from the options list (see the Caltech Application Instructions).

1. _____ 2. _____

G. Research Experience

Please tell us about any research experience you have. If you have research experience in math, science or engineering, you are welcome to submit a copy of any research paper or report you have written.

Papers must be submitted as a PDF file and emailed to: papers@admissions.caltech.edu.
To assure consideration, papers should be submitted no later than the application deadline.

Essay

In a page, more or less, please tell the Admissions Committee what you are planning to study and why you have selected this field of study.
